FETISH FANTASY SERIES POGO THRUSTER

Get ready for the wildest ride of your life with our new **Fetish Fantasy Series Pogo Thruster**, our latest revolutionary vibrator featuring an internal gyro motor that generates 3 speeds of powerful, relentless vibrations, pulsations and gyrating action. This is intensified by a flexible, spring-loaded suction cup base, delivering rhythmic, dynamic "pogo" actions that will bounce you over the edge in ecstasy!

In addition, two powerful vibrating motors—one in the head and one in the flickering textured tongue—elevate pleasure to new heights with 10 mind-blowing vibration patterns. This unique blend of features makes the Pogo Thruster an absolute must-have in your pleasure chest.

Crafted with ultra-hygienic Elite Silicone™, a sensual rippled shaft and tiny ticklers on the vibrating tongue take your orgasms to the next level! Use the flexible suction cup base on nearly any clean, flat surface for a hands-free thrusting thrill ride!

Explore endless pleasure possibilities with your own combinations of speed and vibration patterns for a sheet-clutching orgasmic experience, whether playing solo or with a partner!
